

Summer Term Planning Week 4

Here is an overview of what you will be doing this week. Please keep logging onto google classroom to see the details about each task. Also, please log onto Oxford Reading Buddy and read a book and do a quiz per week. Please contact me if you need any help or support. Do your best, do as much as you can and please share your lovely work with me.

Day of the Week	Task 1	Task 2	Task 3
Monday	<p><u>Maths</u> https://whiterosemaths.com/homelearning/year-5/ <u>Lesson 1 Area of rectangles</u></p> <p>You have done some work on perimetres. Today you are going to learn about areas of rectangles.</p> <p>Watch the videos and then go to the 'Maths' topic on the google classroom where you will find the worksheet.</p> <p>Answer the questions and share your answers with me.</p>	<p><u>English</u> Our theme this week for English is 'Happiness and Achievements' All of the videos and songs you will watch are based on the theme. I would like you to watch this video of one of my favourite bands Coldplay. https://www.youtube.com/watch?v=VPRjCeobqrI Watch how the people react to him playing and listen to the words carefully. Then go to the folder 'Happiness' and find the activity- 'Sky full of stars' All this week's English.</p>	<p><u>Science</u> Today we will be continuing with our science work on plants. I would like you to dissect a flower (if you can) and look at the parts that contribute to the life cycle of a plant. Instructions are on the Science section on google classroom.</p>

		<p>activities will be in the 'Happiness' topic.</p> <p>All the questions are based on your opinion. You just need to justify them with reasons.</p>	
Tuesday	<p><u>Maths</u></p> <p>https://whiterosemaths.com/homelearning/year-5/</p> <p><u>Lesson 2 Equivalent Fractions</u></p> <p>Today you are going to learn about Equivalent fractions. We have learnt about fractions in school. I have put some support sheets on the 'Maths' topic on google classroom. Watch the video carefully and then look the the support sheets</p> <p>The activities are on 'Maths' topic</p> <p>Complete the activities to the best of your ability.</p>	<p><u>English</u></p> <p>Watch the video by Sigala 'Easy Love'.</p> <p>https://www.youtube.com/watch?v=ozx898ADTxM</p> <p>Watch the reactions between the children and how their behaviour is the same each time at the start of their encounters but then changes.</p> <p>Think about their interactions and how they share some of the same ideas and thoughts.</p> <p>Find the activity 'Spread the Joy' on google classroom. Complete the table with your thoughts and ideas. Remember to justify your opinion.</p>	<p><u>Science</u></p> <p>Today we will be looking in more detail at how plants reproduce and how pollen is disseminated (spread). This clip shows the ways seeds can be dispersed.</p> <p>https://www.bbc.co.uk/bitesize/clips/znvfb9q</p> <p>The activity will be on the google classroom in the Science topic.</p>

<p>Wednesday</p>	<p><u>Maths</u> https://whiterosemaths.com/homelearning/year-5/ <u>Lesson 3</u> <u>Converting improper fractions to mixed numbers and vice versa</u> I have put some support sheets on the 'Maths' topic on google classroom. Watch the video carefully and then look the the support sheets The activities are on 'Maths' topic Complete the activities to the best of your ability. There are further tasks on the BBC bitesize if you want more help or would like to extend your learning. Follow the link on the White rose website.</p>	<p><u>English</u> <u>Listen to the song</u> https://www.youtube.com/watch?v=j2ii5AWAtJM Cloud and Thorns 'Everything is possible'. Listen to the words of the song and think about the meaning of them. Then go to the google classroom and find the activity 'Everything is possible' Songs are very often poems that are sung. You will be writing a poem/ song about possibilities and achievements. I would like you to use similes, metaphors and lots of description.</p>	<p><u>Science</u> Today I would like you to design your own plant and think about how it would pollinate. You will need to think about what you have learnt about how flowers grow and all the parts of a flower. More details and information will be on google classroom in the Science topic.</p>
<p>Thursday</p>	<p><u>Maths</u> https://whiterosemaths.com/homelearning/year-5/ <u>Lesson 4</u> <u>Compare and order fractions</u></p>	<p><u>English</u></p>	<p><u>Music</u> Today you will be using BBC Bitesize to learn more about rhythm, melody and pitch.</p>

	<p><u>less than one</u> Watch the video carefully and then look at the support sheets. The activities are on 'Maths' topic Complete the activities to the best of your ability. There are further activities on the BBC bitesize if you want some help more or would like to do more tasks.</p>	 <p>Look carefully at the image. (It will be on the google classroom too) Think about what it makes you think of and how it makes you feel. Listen to song 'Rise Up by Yves LaRock' https://www.youtube.com/watch?v=jJrJSSOTPgc Go to the topic 'Happiness' and find the activity called 'Dreams' Complete the activities.</p>	<p>Instructions will be available on the google classroom in the topic 'Music'</p>
<p>Friday</p>	<p><u>Maths</u> Today is a task on LBQ. The code will be on the google classroom. Remember the questions do get more difficult so try your best and don't worry if you can't do some of them. The code will only be valid</p>	<p><u>English</u> I have shared songs that make me smile and feel positive. Tell me about a song that makes you happy. Explain to me why it makes you smile and how it makes you feel. Complete the activity on</p>	<p><u>Art</u> Today you will be learning how to grow a rainbow using capillary action. This is a lovely activity so I hope you enjoy it. Look in the 'Art' topic - 'Rainbow' to find the instructions</p>

	until 4pm when the activity will close.	google classroom 'Happiness is...' Use lots of descriptive words and your knowledge of figurative language (metaphors and similes) to make the sentences really vibrant and interesting!
