

Dear Parents/Guardians,

I hope you and your families are all well!

Here is the weekly overview of activities for the children to work through each day.

There have been some changes to the RWI lessons on youtube. The lessons are on a loop now and are repeating from the beginning.

Whiterose maths is now charging schools to download their worksheets so you won't be able to get them from the website as you have done previously. I will attach them on the school website.

It's been fantastic to see how many of you are accessing Purple Mash and completing activities so well done. Keep sending me photos of what you're up to and it's lovely to share with everyone on twitter.

Remember you can email me with any questions or similarly anything you'd like to share for our class Twitter page. The work being set isn't compulsory but will support prior learning and will benefit the children when they return to school.

Thank you again for all your efforts this week and that's not just children, it's parents too!

Mrs Lawson.

Summer Term Week 5

	Maths	English	Foundation
Monday	<p>BBC Bitesize: Subtract within 20 https://www.bbc.co.uk/bitesize/articles/zjh7mfr</p> <p>White Rose Maths: Lesson 1: Compare length and height. https://whiterosemaths.com/homelearning/year-1/ Please use the sheet attached on the school website.</p>	<p>Phonics: Go to Youtube to watch your daily phonics lesson.
