

Dear Parents/Guardians,

I hope you and your families are all well!

Here is the weekly overview of activities for the children to work through each day.

It's been fantastic to see how many of you are accessing Purple Mash and completing activities so well done. Keep sending me photos of what you're up to and it's lovely to share with everyone on twitter.

Remember you can email me with any questions or similarly anything you'd like to share for our class Twitter page. The work being set isn't compulsory but will support prior learning and will benefit the children when they return to school.

Thank you again for all your efforts this week and that's not just children, it's parents too!

Mrs Lawson.
